

**Enjoy running or walking in Marlborough**  
**Consider joining Run/Walk Marlborough**

(Marlborough Harrier Club)

Run/Walk Marlborough welcomes everybody who wants to get out into the fresh air and on their feet. We have a strong community of all stages of life who enjoy running and walking together competitively as well as socially.

See our website [www.harriers.net.nz](http://www.harriers.net.nz) for details of the events we run during the March to September season. We arrange access to great tracks, often closed to the public, and we run and walk them Saturday afternoons.

There is no pressure to compete and we're a very welcoming and unpretentious bunch. Every run/walk is concluded with a hot drink from the trusty thermette and afternoon tea, and on occasions we head to a hotel for a glass of wine or beer, and a chat.

Members range from teen to octogenarians, and subs are amongst the cheapest of any club.

We also run public events that are very well known in Marlborough. Participants are a great mixture of competitive, casual, 'just want to finish' and social teams.

- King and Queen of the Withers – January
- Mt Vernon Grant Traverse – June
- Queen Charlotte Relay – September
- Molesworth Relay – November
